

### Read:OutLoud Classroom Implementation Tool

Goal Setting:

1. Set clear, concise, measurable reading and/or IEP goals for each student
2. Plan when and where students will have access to, and use Read:OutLoud (do students need this at home?)
3. Integrate your reading instruction with Read:OutLoud—show students the technology in a reading context
4. Measure changes in attitude—yours and the students!

<b>Learners Who Need Access to Read:OutLoud</b>	<b>IEP Goals, 504 Plans or Reading Standards</b>	<b>Frequency and Duration the student needs to use Read:OutLoud to achieve goals</b>	<b>Classroom / Subject / Period</b>	<b>Read:OutLoud Location: <i>Classroom/Lab/ Media Center/ Resource Room/ Rolling Cart</i></b>
